# Women Support Women

As you know, The Nine is more than a club, we are a community that believes in making equality reality. Among the other actions to support women, we choose to work with brands, suppliers, and communities that support women or are led by one.

# Another day, another *Mansplainer*

*When your inner voice comes out...*

**"I am still speaking"**

Rich, bold, and impossible to ignore, this cocktail centres on blackcurrant, balanced with bitters, and a crisp finish. A reminder that interruptions may be frequent, but so is your persistence

**"Calm down, honey"**

Sweet like honey, but with a sharp bite - just like you when someone disturbs your peace. A smooth daiquiri with a tart edge, best enjoyed with an arched eyebrow

**"Google exists, you know"**

A light, crisp, and refreshing twist on gin tonic - perfect for when you acknowledge nonsense. Mansplainers may not be so sage, but this cocktail is

**"And yet, I'm still right"**

Sweet and fruity enough to draw you in, but with a strong kick that reminds you who's in charge. Ideal for moments when words aren't necessary, but a drink speaks volumes

**"Did I ask?"**

Short, to the point, and with just the right amount of heat, this spicy margarita isn't here to please everyone, and neither are you. A perfect response to unsolicited opinions, for when you're feeling salty

**"You should smile more"**

A tart, punchy drink with just enough sweetness to keep things interesting. Because if we must smile, it's going to be on our terms (and preferably with a cocktail in hand)
